MANY DELEGATES

100 AT OPENING OF BURLINGTON SUNDAY SCHOOL CONVENTION.

BANNER CONTEST IS ON

Senator Craig Tells of County Unit Bill—Rev. C. R. Green Gives Illustrated Lecture Tonight.

The county Sunday school convention opened in the Christian church at Burlington Junction this morning with more than 100 delegates in attendance, which is a larger number than the total of last year's meeting at Maryville. It is expected that 300 or 400 persons will attend before the close of the convention. Nearly all the officers were present this morning for the opening session.

The meeting began at 9:30 o'clock this morning with a devotional service conducted by the Rev. L. C. Sappenfield of Burlington Junction, after which the routine reports were submitted by officers and committees. Then Senator Anderson Craig of Maryville addressed the convention on the subject of the county unit bill, and H. W. Hull, head of the Anti-Saloon league in the county, spoke on temperance. Other speeches were made by C. R. Harmon of Pickering, H. C. Bower of Maryville and the Rev. E. W. Killion of Pickering.

The contest for the banner to be awarded to the Sunday school with the largest per cent of its enrollment attendant at the convention started this morning when 60 per cent of the Wilcox M. E., South, Sunday school enrolled at convention headquarters. A message from Leonard Yaple of the Tabor school, near Elmo, was received saying that thirty-nine of the forty members of that school would arrive in Burlington Junction today.

This afternoon the Rev. L. M. Hale of the First Baptist church of Maryville addressed the convention on the subject of "Sunday School Evangelism." Tonight the Rev. C. R. Green of Harmony church will give an illustrated lecture, "A Country Sunday school." This lecture will be given at a time so that persons wishing to attend it may go to Burlington Junction on Wabash train No. 3 and return on train No. 14, the late train.

Much interest is being shown in the opening of the convention, and about twenty persons from Maryville are attending it. They are: W. F. Smith, H. C. Bower, Miss Loma Bower, Miss Hankins, Misses Ethel and Ruth Hasty, Dr. R. E. Hamilton, Miss Elizabeth Evans, Bert Nicholas, the Rev. L. M. Hale, H. W. Hull, Senator and Mrs. Anderson Craig, Roy David, Lee Griffin and the members of the Christian Sunday school orchestra, Ernest Moore, Mr. and Mrs. J. H. Thorp and Charles Thorp.

SOX WIN CHAMPIONSHIP

Defeat Cubs 6-4 Monday, Which Makes Fourth Consecutive Victory

The Sox won the championship in the second Normal school base ball series yesterday afternoon, defeating the Cubs 6 to 4.

The game was loosely played by both teams and was without the usual interest which has attended the series of games. This was the fifth game of the series, the Cubs winning the first game and the Sox the rest.

There will be no more games this week. Next Monday Coach L. M. Eek will call out the first squad for practice in preparation for the trip to Barnard on August 7, when the Normal team will play at the picnic.

In yesterday's game the Cubs started the scoring in the first inning with two runs but were passed in the second half of the inning when the Sox scored three times.

The Sox scored two runs in the second inning, while the Cubs scored one run in the third. When the Sox came to bat in the fourth they were rewarded by one more score, and neither team counted in the next two innings. The Cubs scored once more in the seventh, making the final count 6-4. The score by innings:

		R.	H.	E.
Sox	3 2 0 1 0 0 *—	6	5	4
Cubs	2 0 1 0 0 0 1—	4	5	7

DEHART & HOLMES BUY STORE.

They Will Alternate in Managing Business Here and in Grant City.

Lewis DeHart and Lieber Holmes bought the Lee Jewelry store at Grant City, Mo., this morning and have taken charge of it. They will not give up their business here, however, but will manage both stores.

Mr. DeHart has been in Grant City for several days, invoicing the stock and fixtures of the store, and closed the deal this morning. Mr. Holmes said today that the new store, which is just west of the courthouse in Grant City, is about the same size as the one here. It contains a $7,000 stock, and the fixtures, he said, were better than those in their Maryville store.

For the present Mr. DeHart will remain in Grant City to manage the new business, but later he and Mr. Holmes will alternate in looking after the two stores.

Green will lecture on "Lot's Wife," and the Maryville Concert band will give a program. That night the Dixie singers will give another concert, and Mrs Leonora M. Lake will give her lecture, "When Man is King."

All Sunday school children under 15 years of age will be admitted to the entire day's program free.

Landon will have charge of the renting and setting of tents, Lewis White and Fred Miller will look after the automobiles and carriages, and W. M. Oakerson will attend to the ticket sales.

CHANGE IN DATES

HOME COMING WILL BEGIN OCTOBER 6 INSTEAD OF 7.

ADDS DAY FOR W.O.W.

An Effort Will Be Made to Secure Pain's Electrical Display of Panama Canal.

One more day, Tuesday, October 6, is to be added to Maryville's home coming celebration. This was decided at the weekly luncheon of the Commercial club yesterday, and the purpose of the change is to give the Woodmen of the World an extra day for their log rolling and class initiation.

This will make the dates of the home coming October 6 to 10. As at first planned, the W. O. W. was to have the first day, and each of the other days was to be devoted to something else. The Woodmen, however, had asked for two days, and as this would have shortened the other program too much the other day was added.

The finance committee was instructed to begin at once to raise funds for the celebration, and the canvassing for the necessary $2,500 will begin immediately.

President Hull said today that an effort was being made to secure Pain's electrical display representing the Panama canal as one of the entertainment features. The Pain company makes a specialty of such displays and is the company which made and showed "The Last Days of Pompeii." Mr. Hull said that so far as he knew the company had never shown in any city smaller than St. Joseph, but if possible it would be brought here.

Aside from this feature none of the other entertainments are definitely in view. The time of the home coming is so far ahead that the entertainment committee has not attempted to work out a detailed program.

The Commercial club entertained the Chautauqua board at the luncheon yesterday, and discussed informally the plans for next month's session. A general club meeting and picnic for all the business men will be held in the Normal park Thursday, August 6.

CHILD DIES MONDAY.

DEMOCRATIC VOTE FORECAST.

Predict 200,000 Ballots and 150,000 Majority For Stone—Bull Moose Are Strong.

Estimates of the number of votes that will be cast by the Democrats in the state primary a week from today vary from 200,000 to 225,000, says the St. Louis Republic. The total vote in the state primary of 1912 for the Democratic candidates for the nomination for governor was only 225,387, and it is estimated, in many quarters, the total party vote in the coming primary will fall considerably short of this.

In making these estimates, it should be taken into consideration that while there is lacking the element of contest on all but one place on the state ticket, intense interest is centered in a majority of the counties on the nomination of the county tickets, and this will have a tendency to bring out the voters in large numbers. All of the big county offices are to be filled this year, and in many counties interest in who will win them in the primary overshadows all else.

Primary totals for 1912, taking the vote of candidates for governor as a basis, were: Democrats, 225,387; Republicans, 144,507; Prohibitionists, 614; Socialist Labor, 187; Socialists, 6,543.

W. R. Hollister, campaign manager for Senator William J. Stone, said:

"It is more than ordinarily difficult to give a forecast as to the vote at the coming primary, particularly with respect to the senatorship. There is so little opposition to Senator Stone and such universal approval of the senator's course in Congress that the result seems assured. I should say, however, in the absence of any spirited contests calculated to bring out the vote, that the Democratic vote in the primary will be approximately 225,000, and I hardly think Senator Stone's majority will be less than 150,000.

There are few advance estimates of the result in the contest for the Democratic nomination for judge of division No. 1 of the supreme court. This is a close race and has all the political prophets and forecasters guessing: Friends of Judge James T. Blain, Perry S. Rader and Thomas J. Delaney all can figure out how their man can win, but to the disinterested spectator this appears to be an extremely difficult task.

Estimates of the vote in the primary by the Progressives vary greatly. That it will be larger than many of the Republican politicians figure on is evident for the reason they have county tickets in many counties which will bring out a vote the aggregate of which probably will run from 40,000 to 50,000 for the entire state.

The fact that Politte Elvins has not made an extended campaign for the Republican nomination for United States senator has convinced the majority of the Republican politicians that the former congressman from St. Francois county is in for a "trimming" at the hands of former Postmaster Thomas J. Akins of St. Louis.

The latter is completing an extensive campaign of the state, and it appears as if the empty honor will be his in a walk—that is, if the opinions of Republican leaders in various parts of the state count for anything.

Members of the Democratic state committee, who were in Jefferson City last week to attend the meeting of that body, told of the most satisfactory conditions, from a party standpoint, the state over.

Everywhere, the people are back of the Wilson administration and the administration of state affairs by Gov. Major and the Democratic state officers.

It was the concensus of the committee's opinion that the result of the primary, with reference to the make-up of the congressional delegation from Missouri, will show few changes.

Chairman D. C. McClurg, of the committee, says it is likely campaign headquarters will be opened in St. Louis and Kansas City immediately after the primary, as there is much preliminary work to be done before the new committee organizes the latter part of August.

GOLDEN WEDDING

MR. AND MRS. G. W. NULL CELEBRATE ANNIVERSARY TODAY.

LEFT WAR TO BE WED

One Guest Present at Their Marriage Fifty Years Ago Attends Today's Jubilee.

Fifty years ago today George W. Null, a soldier in the First Nebraska infantry, obtained a furlough, came back to the old home at Myrtle Tree, married his sweetheart, Lydia Ware, and then went back to war.

Today, surrounded by their children and grandchildren, Mr. and Mrs. Null celebrated the fiftieth anniversary of that event with a golden wedding jubilee at the home place, 203 West Cooper street.

One Wedding Guest at Anniversary.

One guest, who attended the wedding in 1864, was present today, Mrs. W. H. Miller of Cameron, Mo., a sister of Mrs. Null.

The parents of both Mr. and Mrs. Null were residents of the Myrtle Tree district, and the young people were sweethearts from childhood days.

In 1861, on July 17, Mr. Null felt that his country needed his services, and he enlisted in the First Nebraska infantry. In the midst of battle and the trials of a soldier's life, the thoughts of his promised bride were first in his heart, and he obtained a furlough, came back to the old farm, married his bride July 28, 1864, hurried back to the army and remained there until he was honorably discharged in January, 1866.

Ceremony Performed by Rev. Beggs.

The wedding ceremony was performed at the home of the bride's parents, Mr. and Mrs. Jehu Ware, by the Rev. F. S. Beggs, Methodist minister of the Maryville circuit. Among those present at the wedding was Newton Wray, living north of Maryville, who was expected to attend the anniversary today, but he could not be there on account of his ill health.

Of the family of nine children, eight are living. The one break in the family circle was made by the death of Mrs. Ray Lee in 1904. Three of the children were unable to attend the golden wedding anniversary. Prof. Wilbur Null of Weiser, Idaho, who recently visited his parents, the Rev. Charles W. Null of San Jose, Cal., and Mrs. Anna Oldham of Webb City, Mo., who also visited her parents a few weeks ago.

Five of Eight Children Present.

The children present with their families were. Mr. and Mrs. J. L. Partridge and son, Dale; Mr. and Mrs. O. G. Null and children, Howard, Myrtle, Mabel and Gladys, of Pickering; Mr. and Mrs. A. A. Wiley and children, Edith, Lois, Lucile, Cecyl, Mildred and Grace Irene; Mr. and Mrs. R. D. Corken and children, Anna Helen and Robert, of Burlington Junction; Mr. and Mrs. G. H. Null and son, Fay Woodson, and Mr. and Mrs. Arta Craven of Ravenwood.

Mr. Null is the last surviving member of his family, with the exception of a half-brother, H. J. Kelley of this city, who, with his wife, was present at the celebration today.

Cake of Fifty Years Ago Duplicated.

The Null home was decorated with clusters of white and gold flowers, and the long dining table was centered with a large white wedding cake, baked by Mrs. Null's sister. It was an exact duplicate of the one she baked for the wedding of fifty years ago. Another part of the wedding feast was a box of luscious California plums, sent by the Rev. Charles Null of San Jose, Cal.

The eldest daughter and her husband, Mr. and Mrs. J. L. Partridge, also celebrated their twenty-eighth wedding anniversary today.

Home From Vacation.

Miss Emma Hull, bookkeeper in the Tribune office, has returned from a three weeks' visit at Des Moines and Madrid, Ia.

Attention!

Sir Knights will fall in at the armory on Wedensday, July 28, at 8 a. m. sharp to attend the funeral of Sir Knight J. I. Johnston, which occurs in the country at 10 a. m.

LOOKING AFTER THE BOY.

Boys Go Wrong Because They Are Greatly Neglected.

Nine reasons why boys go wrong are given by Prof. G. W. Fiske of Oberlin college. There may be others but nine are enough. Prof. Fiske calls crime "a phenomenon of adolescence," a definition borne out by the statistics of courts. Crime is a youthful practice, a development out of petty vandalism and unregulated life on the streets. The professor's nine reasons:

City life, which is artificial.

Tenements and flats, which have supplanted homes.

Too few playgrounds, parks and recreation spaces.

The average policeman, whom the boy regards as his foresworn enemy.

The courts, which are stern and machine-like and seem to the boy to be trampling him down.

The present day school system, which is an inflexible one, without specialization and lacking courses interesting to many boys.

Recreation is unregulated.

Boys are exploited by child labor.

Divorces by parents drive them to the streets.

Granting the above analysis of the causes of crime in the first instance, then society is moving in the right direction, for the school system is to be specialized and vocationalized, and in some cities, notably such places as Gary, Ind., already is; the courts are treating youthful offenders more rationally, and there are even special courts for young people; play grounds, parks and recreation places and supervision of play of small children are everywhere coming in. As to "the average policeman," he has a hard task. It is not that he is harsh with boys, but about all the boys know of the city as an organized entity is the vision he has of the policeman with his club and his arbitrary authority in the boyish mind, to put anything over on him. The policeman stands as the representative of frowning and mystical law, which is no friend of a boy, hence neither is the city any friend of a boy, nor the thing that stands for the city, the policeman. But the modern city has considered this matter also and is getting its police ideas around to the point where it will use the police to help those either in trouble or in situations and circumstances that threaten trouble. Much of crime is unnecessary and preventable by entirely humane methods. In his remarks Prof. Fiske suggests a system of having one older boy in every block as a supervisor and comrade for his younger fellows.—Topeka Capital.

Anty Drudge—"Well, stop fretting and let me help you. We'll manage all right. But after this, use Fels-Naptha Soap. Your work will be done, you'll be cool and rested, and it won't matter if John brings three men home to dinner."

Here Is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Stomach Remedy is now sold here by

Pearson's Pharmacy and druggists everywhere.

NATURALIZATION MADE EASY

Citizenship Papers Bought and Sold in St. Louis.

St. Louis, July 28.—Investigation into an alleged traffic in naturalization papers was begun here by the board of election commissioners. The inquiry resulted from the affirmation of one Assyrian that he had purchased the naturalization papers of a fellow countryman who had returned to his native land, and the statement by another that it was common practice in the Syrian colony to buy or borrow citizenship papers.

The commissioners estimated that at least 400 Syrians, most of them employed by the city, were registered under naturalization papers not their own. The traffic, it appears, has been carried on for the double purpose of obtaining municipal jobs for the holders of the papers and rendering them eligible to vote.

Eastern Star to Meet.

The regular meeting of the Order of the Eastern Star will be held tonight at Masonic hall.

Ex-Postmaster Brashear Honored.

Ellis Brashear, the recently retired postmaster of Parnell, was made the honoree of a very pleasant surprise Saturday evening, given by the postmistress, Mrs. George Wilson, the assistant postmaster, and rural carriers and their families. Mr. Brashear is 74 years old and has been postmaster at Parnell for sixteen and a half years. He is an old soldier and his patriotism is so marked that his friends felt the best way to express their respect and good will was to give him a handsome flag, which they did Saturday night. Mr. Brashear has a flag pole in his yard and the new flag was immediately hoisted, and the entire crowd sang the "Star Spangled Banner" in salute. The company included Mr. and Mrs. George Wilson and their guest, Miss Ona Anderson, Mrs. John Dinsmore, Miss Zoe Dinsmore, Mr. and Mrs. E. E. Yetter and children, Lavelle and Voncile; Mr. and Mrs. Carl Batt and children, Evadna, Esther and Randolph; Mr. and Mrs. Theodore Logan and children, Veva, Zella, Retha and Lawrence; Mr. and Mrs. J. H. Herndon, Miss Lillie Jane Herndon, Mr. and Mrs. Clem Bremer, Mr. and Mrs. Charles Evans, Miss Mattie Evans, Mr. and Mrs. George Carroll and children, Vera, Mollie, John and Lucile, of Savannah.

DUBLIN MOBS RENEW RIOTING

Great Crowd Marches Behind Volunteers In Parade.

BORDERERS HIDE IN BARRACKS

Police Threaten to Strike Unless Members of Department Suspended Are Not Reinstated—Premier Asquith's Plans Smashed.

Dublin, July 28.—Rioting broke out again, but subsided without serious results. The rumor was afloat that the Scottish Borderers would entrain at the Amiens street station. A great crowd, for the most part from the slums, surrounded the station. The rioters amused themselves by stoning street cars. Six hundred volunteers paraded through the streets, a crowd of 4,000 following them, marching in step and singing.

Feeling runs high throughout Nationalist Ireland. Town councils are adopting resolutions denouncing "the massacre." The soldiers of the Limerick and Kilkenny garrisons are confined to their barracks, and concerts by military bands in several towns have been cancelled.

The minister of Dublin has called a meeting of the magistrates to consider the action of the castle authorities in calling out the police and soldiers without consulting the city officials. The police threaten a strike unless those members of the department who were dismissed for disobedience of orders are reinstated.

It is announced here that Sir John Ross, the police commissioner, resigned as a protest against the suspension of Deputy Commissioner Harrell. The Nationalists are delighted, as Commissioner Ross was unpopular.

Premier's Plans Smashed.

London, July 28.—The first effect of the Dublin home rule tragedy has been to smash Premier Asquith's plans for taking up the amending bill today. The premier announced that the question had been indefinitely postponed. The Irish members are so exasperated over the killing of four persons and the wounding of many others in the clash between the regular troops and the Nationalist volunteers that they are in no frame of mind to grant any concessions to Ulster. The Laborites and many Liberals suport them.

Government at Fault.

London, July 28.—The Daily News calls the affair at Dublin a massacre and demands a rigid investigation of the conduct of the soldiers. It lays the responsibility upon the weakness of the government, which allowed the organization of the Ulster volunteers and could not prohibit the Nationalists from doing the same.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
